HARVARD COLLEGE
CLASS OF 1901

Secretary's Sixth Report

JANUARY 1922

ADDRESS LIST
GEOGRAPHICAL DISTRIBUTION
NECROLOGY
LOST MEN

348971
5.4.38.

PRIVATELY PRINTED FOR THE CLASS

SECRETARY'S PREFACE

To the Members of Harvard 1901

THIS Report contains the addresses and occupations of all of the active members of the class together with their geographical distribution. The total number on the class list is 669. Only 12 names are on the list of lost men. The complete necrology is included. Seventy-four men have died,—31 since the Fourth Report was published in July, 1916.

Before deciding that this Report should take the form of an address list rather than the usual form of "Class Lives," the Secretary conferred with many classmates all of whom agreed that in view of the Class "War Records" published in March, 1920 (Fifth Report), it would be better to save the great expense of a complete Report at this time and concentrate our efforts upon the preparation of the twenty-fifth anniversary Report.

JOSEPH O. PROCTER, JR.,
Secretary.

January 1, 1922.
